

RAYMOND B. HAMES

(October 2021)

CURRICULUM VITA

CURRENT POSITION

Professor, Department of Anthropology, University of Nebraska-Lincoln

ADDRESSES

Home: 15 Primrose Cir., Seaside, CA 93955

University: 810 Oldfather, Department of Anthropology, University of Nebraska, Lincoln, NE 68588-0368

TELEPHONES

University (402) 472-6240, 472-2411

Cell (402) 613-8822

Email: rhames@unl.edu

Web Page <http://www.unl.edu/rhames>

EDUCATION

1978 Ph.D. Anthropology, University of California, Santa Barbara

1974 MA Anthropology, University of California, Santa Barbara

1971 BA Anthropology, University of California, Santa Barbara

1966-1968 Biology Major, California State Polytechnic University, San Luis Obispo

OTHER ACTIVITIES AND POSITIONS

2020-present Elected to the National Academy of Sciences (Anthropology: Section 51)

2020-present Editorial Advisory Board for Conflict, Environment, and Social Complexity, Springer Series

2015-2016, Past-president of the Evolutionary Anthropology Society of the American Anthropological Association

2013-15 Santa Fe Institute: SFI Working Group on Inequality and Social Networks (participant)

2012-2014, President of the Evolutionary Anthropology Society (American Anthropological Association section)

2010-2011 President-elect of the Evolutionary Anthropology Society (American Anthropological Association)

2006-present consulting editor *Human Nature*

2005-2015 Treasurer of Human Behavior and Evolution Society

2005, 2007, 2009, 2012, 2013, 2014, and 2015 instructor for NSF sponsored Short Courses on Research Methods (SCRM) on Naturalistic Behavior Observations, Duke University Marine Station, Beaufort, North Carolina

2003 Host (with P. Draper) for the 15th Annual Meeting of the Human Behavior and Evolution Society. University of Nebraska-Lincoln.

1998-2004 advisory board of *Population and Environment*. An interdisciplinary journal of the American Psychological Association.

1992-1993 NSF Cultural Anthropology Program Director

1991 Editorial board for "Food and Nutrition in the Tropical Forest" UNESCO, Paris.

1991 NSF Summer Institute in Comparative Research. UCLA, Department of Anthropology (participant)

1988-1990 National Science Foundation Cultural Anthropology Advisory Panel Member.

1989- Consultant and subject on the film *Salt*, in *Nature of Things* series, Canadian Broadcasting Corporation.
1978-1979 National Institute of Education, Ethnographic Investigator.
1970-1971 Peace Corps Volunteer assigned to Paraguay to coordinate a program of environmental sanitation with local village health inspectors.

ACADEMIC POSITIONS HELD

2008-2012 Chair of Anthropology Department
1999- Professor of Anthropology, University of Nebraska
2001- Acting Director of the University of Nebraska State Museum (March-August 2001)
1989-1996 Chair, Department of Anthropology (on leave 1992-3)
1987-1989 Assistant Dean, College of Arts & Sciences
1985-1999 Associate Professor, University of Nebraska
1980-1985 Assistant Professor, University of Nebraska
1980 Assistant Visiting Professor Penn State University (Spring Quarter)
1977 Lecturer for Extended University, University of California, Vandenberg Air Force Base, Lompoc, California (Winter Quarter)
1972-1974 Teaching Assistant, UCSB

COURSES TAUGHT

Anthropology of War	Introductory Cultural Anthropology
Anthropological Ecology	Contentious Issues in Anthropology
Social Organization	Introduction to Anthropology
Hunters and Gatherers	

FIELD RESEARCH

Jan 2005-February 2005, San Borja, Bolivia
Jun. 1999-July 1999, Amazonas, Venezuela
Dec. 1986 - April 1987: Amazonas, Venezuela
Dec. 1985 - March 1986: Amazonas, Venezuela
Dec. 1984 - March 1985: Amazonas, Venezuela
May 1980 - July 1980: Paraguay
Jan. 1979 - March 1979: Bridgeport, CT
Mar. 1975 - June 1976: Amazonas, Venezuela

HONORS, FELLOWSHIPS, RESEARCH AWARDS

5/2020 Inducted into the National Academy of Sciences (Anthropology)
8/1/2015-2018: "Collaborative Research: Demographic and Genealogical Dimensions of Cultural and Biological Success," Cultural Anthropology Program, NSF with Napoleon Chagnon (\$101,222, UNL share \$34,333, BCS-1461504)
12/98: Diversity Enhancement Award for "Enhancement of Native American Cultural Awareness, Recruitment, and Retention" with three others (\$3,000)
6/97: LSB Leakey Award entitled "Trekking Variation among the Yanomamö" (\$8,196).
10/96: Summer Faculty Fellowship, University of Nebraska Research Council (\$6,500)
9/94: Award from the office of the Senior Vice-Chancellor for Academic Affairs to create multimedia materials for Essential Studies courses (\$4,500)
7/87: NSF REU supplement to "The Social Effects of Mortality and Divorce " (BSN 8411669). R. Hames, P.I., \$4,000.
1/84 - 6/88: National Science Foundation funding for a 3 year research project entitled "The Social Effects of Mortality and Divorce in the Yanomamö Nuclear Family: Kinship Fosterage, and Marriage Choice Implications for Tribal Societies". R. Hames, P.I., \$63,541. (BSN 8411669)

- 3/83 - 2/86: Research associate (5% time) on a three year National Institute of Ageing Career Development Award to Dr. Jane Potter (University of Nebraska Medical Center) entitled "Beneficial Effects of Moderate Obesity".
- 10/81: Invited University Symposium Award (\$3,000), University of Nebraska Research Council. Symposium title: "Optimization Theory in Human Evolution." Coordinator: R. Hames (Submitted with five others).
- 5/81 - 7/81 Summer Faculty Fellowship, University of Nebraska-Lincoln (\$3,160).
- 5/80 - 6/80 Ethnographic Survey of Southern Paraguay. Harry Frank Guggenheim Foundation (R. Hames, P.I. \$1,800).
- 7/79 - 6-80: Harry Frank Guggenheim post-doctoral fellowship: "Biosocial Determinants of Interaction among the Ye'kwana and Yanomamö Indians of Amazonas: (R. Hames, P.I., \$23,000).
- 1/79 - 5-79: NIE Ethnographic Researcher. Principal Investigator: Abdin Noboa) "Hispanic Segregation Trends in Major School Districts with Large Hispanic Enrollments".
- 1/78 - 6/78: NIMH doctoral fellowship continuation (N. Chagnon, P.I.). 11/74 - 6/77: NIMH pre-doctoral fellowship (N. Chagnon, P.I.) entitled "Yanomamö Warfare, Expansion and Political Evolution".

FIELDS OF SPECIAL INTEREST

Behavioral Ecology	South American Indians
Biosocial Anthropology	Exchange
Economic Anthropology	Hunters and Gatherers
Time Allocation	War

PUBLICATIONS

Key:

refereed publication

invited commentary

(nr) non-refereed

translation and/or reprint of previously published work

(br) book review

SUBMITTED, IN PRESS, OR IN PREPARATION

- (in press) "A late pioneer: interview with Raymond Hames". *Evolution Revolution*. Barry Kuhle and Catherine Salmon, eds. John Wiley
- (in press) "Polyandry" for Wiley Blackwell Encyclopedia of Sociology, 2nd Edition (with 2nd author K. Starkweather)
- (in preparation) "Cutting Edge Methods in Anthropology" for A. Wurtich, S. Mattison, and R. Bernard eds.
- (in preparation) "Game Keepers and Conservation". Chapter in edited volume entitled *Supernatural Gamekeepers and Animal Masters: A Cross-Cultural Perspective* edited by R. Chacon

2020

2014

"A life history perspective on skin cancer and the evolution of skin pigmentation." (with Daniel Osborne, first author). *American Journal of Physical Anthropology*, 153: 1-8
VanderLaan, Doug P., Zachary H. Garfield, Melissa J. Garfield, Jean-Baptiste Leca, Paul L. Vasey, and Raymond B. Hames. 2014. The "female fertility-social stratification-hypergyny" hypothesis of male homosexual preference: factual, conceptual and methodological errors in Barthes et al. [Commentary]. *Evolution and Human Behavior* 35 (5):445-447.
"Diversity in Human Behavioral Ecology" (2014) *Human Nature*, 25(4): 443-447.

"Unique Traits and Universals in Human Social Organization". Invited commentary on "Complex kinship patterns as evolutionary constructions, and the origins of sociocultural universals", Bernard Chapais. *Current Anthropology*, 55 (6): 751-783

2012

"A Survey of Non-Standard Forms of Polyandry" (with Katherine Starkweather first author) *Human Nature*. 23:149-172 (2012)
"Anthropological Data Regarding the Adaptiveness of Hebephilia" *Archives of Sexual Behavior* (letter) 41:745-747. (2012) (with Ray Blanchard, second author)

2010

(icr) "Grandparental transfers and kin selection". Invited and reviewed commentary on D. Coall and R. Hertwig "Grandparental Investment: Past, Present, and Future". *Behavioral and Brain Sciences*. (2010)33: 26-27
Paolisso, M. and R. Hames "Methods for the Systematic Study of Human Behavior". *Field Methods*: 22(4). 357-377
Production Decisions and Time Allocation". In *Society and Environment: Methods and Research Design*. Vaccaro, Ismael, Eric Alden Smith and Shankar Aswani (eds.) Cambridge University Press.: Pp. 35-56.

2009

Comment on Gurven and Hill "Why do men hunt? A re-evaluation of 'Man the Hunter' and the sexual division of labor," *Current Anthropology*, 50(1):51-74.

2007

Meal Sharing among the Ye'kwana. *Human Nature* 18(1): 1-21 (C. McCabe second author).
Game Conservation of Efficient Hunting. In *Evolutionary Perspectives on Environmental Problems: A Reader*. Penn, Dustin and I. Mysterud, eds. Transaction Rutgers University Press. Pp. 53-66 (**Note: Reprint** of "Conservation among Native Peoples", 1991)
The Ecologically Noble Savage Debate. *Annual Review of Anthropology*. Volume 36: 177-282 (Fall 2007)

2006

Yanomamö: Varying Adaptations of Foraging Horticulturalists. *Faces of Anthropology: A Reader for the 21st Century*. Fifth Edition, Kevin Rafferty and Dorothy Chinwe Ukaegbu, eds., Pearson Prentice Hall, Upper Saddle River, NJ. Pp. 122-125 (**Note Reprint of 1992**)
Growth rates, developmental markers, and life histories in small-scale societies (Robert W, Robert Walker, M. Gurven, A. Migliano, N. Chagnon, G, Djurovic, R. Hames, K. Hill, A. Hurtado, W. Oliver, R. de Souza). *American Journal of Human Biology*. 18: 18:295-311.

2005

Women's work, childcare and helpers at the nest in a hunter-gatherer society. (R. Hames & P. Draper). *Human Nature* 15 (4):319-341

2004

The Nexus of Yanomamö Growth, Health, and Demography. (R. Hames & J. Kuzara). In Francisco Salzano and Magdalena Hurtado, eds., *Lost Paradises and the Ethics of Research and Publication*, pp. 110-145. Oxford University Press.
On The Political Uses of Ethnographic Description. In Robert Borofsky, ed., *Ethical Issues in Darkness in El Dorado*, pp. 119-125. University of California Press: Berkeley
Informed Consent and Telling it Like it is. In Robert Borofsky, ed., *Ethical Issues in Darkness in El Dorado*, Pp. 168-175 University of California Press: Berkeley
Some Final Thoughts on What Separates and Unites Us. In Robert Borofsky, ed., *Ethical Issues in Darkness in El Dorado*, Pp. 233-243. University of California Press: Berkeley.
"The purpose of exchange helps shape the mode of exchange". Invited commentary on "To give and give not: the behavioral ecology of human food transfers". *Behavioral and Brain Sciences*, 27(4): 564-565.

2003

Yanomamö Health. *In Encyclopedia of Medical Anthropology: Health and Illness in the World's Cultures, Volume 2 Cultures.* C. Ember and M. Ember, eds., 1017-27. Kluwer: New York. (J. Kuzara & R. Hames).

2002

Human Behavioral Ecology. *In* N. J. Smelser and Paul B. Baltes (editors) 2001 *International Encyclopedia of the Social & Behavioral Sciences.* Pergamon, Oxford. Pp. 6946-6951

2001

Parental investment and child health in a Yanomamö village suffering short-term food stress. Edward H. Hagen Raymond B. Hames, Nathan M. Craig, Matthew T. Lauer, Michael E. Price. *Journal of Biosocial Science* 33:503-528.

Comment on Hawkes et al. "Hunting and Nuclear Families" *Current Anthropology* 42 (5): 697-698.

2000

Yanomamö: Varying Adaptations of Foraging Horticulturalists. *Faces of Anthropology: A Reader for the 21st Century.* Second Edition, Kevin Rafferty and Dorothy Chinwe Ukaegbu, eds., Simon and Schuster: New York. Pp. 105-120.

Reciprocal Altruism in Yanomamö Food Exchange. Chagnon, N., L. Cronk, and W. Irons, eds. *Human Behavior and Adaptation: An Anthropological Perspective,* Aldine de Gruyter, Hawthorne, NY. Pp. 297-316.

Birth Order, Sibling Investment, and Fertility among Ju/'hoansi (!Kung). *Human Nature* 11(2):117-156. (Patricia Draper & R. Hames).

1999

Wildlife Conservation in Tribal Societies. *In* M. Michael, ed. *Preserving Wildlife,* pp. 210-239. Humanity Books: Amherst, New York. **Reprint** of chapter in *Biodiversity: Traditional Management and the Development of Biological Resources.* M. Oldfield & J. Alcorn, eds. (October 1999)

1998

Comments on "Reproductive Interests and Forager Mobility" Douglas MacDonald and Barry Hewlett. *Current Anthropology* 40:515-517.

1997

Comment on Bird and Bird "Delayed Reciprocity and Tolerated Theft. *Current Anthropology* 37 (5):71-72.

Comment on Headland "Revisionism in Ecological Anthropology". *Current Anthropology,* 38:614-615.

Comment on Hawkes et al. "Offspring Provisioning and Long Postmenopausal Life Spans" *Current Anthropology* 38: 567-568.

1996

Costs and Benefits of Monogamy and Polygyny for Yanomamö Women. *Ethology and Sociobiology* 17:1-19

1995

Comment on Alvard. "Intraspecific Prey Choice by Amazonian Hunters". *Current Anthropology* 36(5):446-447

1994

Ye'kwana Time Allocation Data Base. Cross-Cultural Time Allocation Series. HRAF Press, Inc.: New Haven.

1993

Yanomamö. *In Encyclopedia of World Cultures.,* Volume 7. South America. Johannes Wilbert, ed. G.K. Hall/Macmillan: New York.

Yanomamö, Varying Adaptations of Foraging Horticulturalists. *In Ethnographic Profiles: Original Readings.* M. Ember, Ember C. and B. Levinson, eds. HRAF Press: New Haven.

Foraging Horticulturalists in Amazonia: Why do Horticulturalists Forage? Proceedings of the 4th World Academic Conference on Human Ecology. Centro de Investigación y Estudios Avanzados del IPN CINVESTAV. Dickinson, Federico, ed. Mérida, Mexico.

1992

Variation in Paternal Care among the Yanomamö. In *The Father's Role: Cultural and Evolutionary Perspectives*. Barry Hewlett, ed. Aldine de Gruyter: Chicago. Pp. 85-111.
The Allocation of Time. In *Ecology, Evolution, and Human Behavior*. B. Winterhalder & E. Smith, eds. Aldine de Gruyter: Chicago. Pp. 203-236.

1991

Wildlife Conservation in Tribal Societies. In *Biodiversity: Traditional Management and the Development of Biological Resources*. M. Oldfield & J. Alcorn, eds. Westview Press: Denver. Pp. 172-199

1989

Time, Efficiency, and Fitness in the Amazonian Protein Quest. *Research in Economic Anthropology*, Vol. 11: 43-85.

Sharing among the Yanomamö: Part 1, The Effects of Risk. In *Risk and Uncertainty in Ecology in Tribal and Peasant Economies*. E. Cashdan, ed., pp. 89-105. Westview Press: Denver.

1988

The Allocation of Parental Care among the Ye'kwana. In *Human Reproductive Effort*. L. Betzig, P. Turke, & M. Borgerhoff-Mulder, eds. Cambridge University Press. pp. 237-251.

1987

Game Conservation or Efficient Hunting? In *Capturing the Commons: Anthropological Contributions to Resource Management*. J. Acheson & B. McCay, eds. University of Arizona Press.

Relatedness and Garden Labor Exchange among the Ye'kwana. *Ethology and Sociobiology*, 8(4):354-392.

Teorias sobre las respuestas adaptativas de los nativos de la Amazonia. *Hombre Y Ambiente*, 3:45-90. (W. Vickers, second author). **Reprint**. Spanish translation of Introduction. In R. Hames and W. Vickers, eds. *Adaptive Responses of Native Amazonians*, pp.1-26. {1983}172-192.

1986

Opportunistic Hunting or Game Conservation. *Cultural Attitudes To Animals Including Birds, Fish and Invertebrates*. Vol. 1. The World Archaeological Congress. Allen & Unwin: London.

1985

Sex Differences in the Recognition of Infant Facial Expressions: The Primary Caretaker Hypothesis. *Ethology and Sociobiology* 6:89-101. (W. Babchuk, R. Hames, and R. Thompson).

Kinship, Demography, Parental Investment Patterns and the Social Use of Architectural Space among the Shamatari Yanomamö. *Boletin Indigenista Venezolano* 18: 1-39. (with N. Chagnon & L. Margolies).

1984

On the Definition and Measure of Inclusive Fitness and the Evolution of Menopause. *Human Ecology*, Vol. 12(1):87-91.

1983

Adaptive Responses of Native Amazonians. R. Hames and W. Vickers, eds. Academic Press: New York. III + 502 pp.

Introduction. In R. Hames and W. Vickers, eds. *Adaptive Responses of Native Amazonians*, pp.1-26.

The Settlement Pattern of a Yanomamö Population Bloc. In R. Hames and Vickers, (eds.) *Adaptive Responses of Native Amazonians*, pp.393-427.

Monoculture, Polyculture, and Polyvariety in Tropical Forest Swidden Cultivation. *Human Ecology*, 11:13-34.

The Forest and the Highway. In *The Impact of Contact. Working Papers on South American Indians*, Vol. 6 and Cultural Survival Occasional Papers #11:1-52 (John Saffirio, first author).

1982

Optimal Foraging Theory as a Model to Explain Variability in Amazonian Hunting. *American Ethnologist* (Special Human Ecology Issue), 9(2):258-278 (W. Vickers, second author).

Comment on Johnson's "Reductionism in Cultural Ecology: the Amazonian Case." *Current Anthropology* (Invited Commentary), 23(4):420-422.

1981

A Critique of some Current Theories of Cultural Ecology in Amazonia. *Interciencia* 5(6):346-358. (With N. Chagnon).

1980

Game Depletion and Hunting Zone Rotation among the Ye'kwana and Yanomamö. In R. Hames (ed.), *Studies of Hunting and Fishing in the Neotropics: Working Papers on South American Indians* 2:31-62. Bennington College, Bennington, VT.

Introduction. *Studies of Hunting and Fishing in the Neotropics*. In R. Hames, ed. *Working Papers on South American Indians*, 2:1-6. Bennington College, Bennington, VT.

Eastville: A Case Study. In A. Noboa, ed., *Segregation of Hispanic Students*. New York: Aspira of America. Pp. 170-198.

1979

Protein Deficiency and Tribal Warfare in Amazonia: New Data. *Science* 203(4383): 910-913, (N.A. Chagnon, first author).

Interaction and Relatedness among the Ye'kwana. In Chagnon, N.A. and W. Irons (eds.) *Evolutionary Biology and Human Social Behavior: An Anthropological Perspective*. Duxbury: North Scituate, pp. 238-250.

A Comparison of the Hunting Efficiencies of the Shotgun and Bow in Neotropical Forest Hunting. *Human Ecology*, 7(3):219-245.

(nr) Paraguay. *McGraw-Hill Encyclopedia of Developing Nations*. McGraw-Hill: New York. (Elman Service, second author).

1978

Ye'kwana Basketry: Its Cultural Context. *Antropologica* 44, 3-58, (I. Hames, second author). Note: published in 1978.

PAPERS PRESENTED

- August 1979 "Game Depletion and Hunting Zone rotation among the Ye'kwana and Yanomamö of Amazonas, Venezuela" XLIII International Congress of Americanists. University of British Columbia, Vancouver (abstract published).

- November 1980 "Monoculture, Polyculture, and Polyvariety in Tropical Swidden Horticulture." 80th Annual Meeting of the American Anthropological Association, Washington DC (abstract published).
- March 1981 "Contraction and Expansion of Hunting Diet Breadth among the Siona-Secoya, Ye'kwana and Yanomamö Indians". Annual Meeting of the Nebraska Academy of Science. Union College, Lincoln (abstract published).
- November 1981 "Garden Labor Exchange and Kin Selection Theory." H. F. Guggenheim and Northwestern University Graduate School sponsored symposium entitled "Human Sociobiology: New Directions in Research and Theory". Northwestern University, Evanston IL.
- March 1982 "Some Measures of Direct Investment in Offspring: A Comparison of Mothers and Fathers among the Ye'kwana and Yanomamö". Midwest Meeting of the Animal Behavior Society: University of Illinois (abstract published).
- November 1983 "Game Conservation or Efficient Hunting?" 82nd Annual Meeting of the American Anthropological Association, Chicago, Illinois (abstract published).
- November 1983 "Method and Theory in Behavioral Ecology". 82nd Annual Meeting of the American Anthropological Association, Chicago, Illinois.
- April 1984 "Protein Maximization or Time Minimization" Nebraska Academy of Sciences. Lincoln, Nebraska (abstract published).
- March 1985 "Parental Loss and Alloparental Investment in Offspring". Invited paper presented before the Faculty of Social Sciences and sponsored Departments of Sociology and Anthropology, Universidad Central de Venezuela, Caracas, Venezuela.
- August 1985 "Identifying infant facial expressions: influence of gender and caregiving experience." 93rd Annual Meeting of the American Psychological Association, Los Angeles. (with W. Babchuk & R. Thompson).
- October 1985 "Problems in Coding Behavioral Data." NSF Workshop on Cross-Cultural Time Allocation Databases. Department of Anthropology, UCLA.
- November 1985 "Exchange among the Shamatari Yanomamö". 83rd Annual Meeting of the American Anthropological Association. Washington DC. (abstract published).
- November 1985 "Risk and Exchange among the Yanomamö". Wenner-Gren sponsored symposium entitled "Risk and Uncertainty", Department of Anthropology, University of Washington, Seattle.
- April 1986 "Female Choice and Divorce". Invited lecture at the University of Missouri-Columbia, Department of Anthropology.
- April 1987 "The Use of Remote Sensing in the Study of Yanomamö Settlement Pattern". Invited lecture for an NSF conference on remote sensing in anthropology. Department of Anthropology, University of Colorado, Boulder, CO.
- November 1987 "A Life History Approach to Yanomamö Violence". Paper read at the 86th Annual Meeting of the American Anthropological Association. Chicago, IL. (abstract published).
- February 1988 "Risk, Relatedness, and the Patterning of Exchange among the Yanomamö". Invited lecture, Evolution of Human Behavior Program, University of Michigan.
- March 1988 "Conservation by Tribal Populations: Design or Side-Effect?". SWARM-AAAS 33rd Annual Meeting. Wichita, KA (abstract published).
- November 1988 "Comments" Symposium "Anthropological Perspectives on New World Primates". 87th Annual Meeting of the American Anthropological Association. Washington DC.
- May 1989 "Time Allocation in Four Yanomamö Villages". 65th Annual Meeting of the American Ethnological Society. Santa Fe, New Mexico.
- November 1989 "Paternal Investment among the Yanomamö". In invited symposium entitled "Cross-Cultural Variation in Paternal Care". 88th Annual Meeting of the American Anthropological Association. Washington DC.

- November 1990 "Prudent Predators or Instantaneous Maximizers" In invited symposium entitled "Biological Diversity and the Development Process. 89th Annual Meeting of the American Anthropological Association. New Orleans.
- September 1991 "The ecological implication of food exchange among the Yanomamö. Invited paper for "Food and Nutrition in the Tropical Forest" symposium sponsored by UNESCO, Paris.
- July 1993 "Foraging Horticulturalists in Amazonia: Why do Horticulturalists Forage?" 4th World Academic Conference on Human Ecology. Centro de Investigación y Estudios Avanzados del IPN CINVESTAV. Mérida, Mexico.
- November 1993 "Some Problems in the Definition and Evaluation of Resource Conservation". Paper presented at the invited entitled "The Myth of the Ecologically Nobel Savage". 99th Annual Meeting of the American Anthropological Association. Washington DC.
- August 1994 "Costs and Benefits of Monogamy and Polygyny for Yanomamö Women" Human Behavior and Evolution Conference, University of Michigan, Ann Arbor 15-19 June.
- November 1996 "Patterns of Exchange among the Yanomamö" Annual Meeting of the American Anthropological Association. San Francisco, November 16-21.
- June 18, 1999 "Birth Order, Sibling Investment, and Fertility among Ju/'hoansi (San). Annual Meeting of Evolution and Human Behavior Society. University of Utah, Salt Lake City, UT. (With Patricia Draper)
- June 19, 1999 "Parental Investment and Child Health in a Yanomamö Village". Poster presentation and winner of best poster at the Annual Meeting of Evolution and Human Behavior Society. University of Utah, Salt Lake City, UT
- June 15, 2001 Hames, Raymond, and Draper, Patricia, Women's work, child care and helpers at the nest in a hunter-gatherer society. Paper presented at the Annual Meeting of the Human Behavior and Evolution Society, London, England, June 13-17, 2001.
- June 6, 2005 Hames, Raymond, William Oliver, and Napoleon Chagnon "Growth, Development, and Health of Yanomamö Orphans in Relation to Parental Loss" 14th Annual Meeting of the Human Behavior and Evolution Society, Austin, Texas
- December 3, 2005 Discussant in "Aboriginal Hunting and the Original State of Nature: Were American Indian Harvests Sustainable?" Annual meeting of the American Anthropological Association, Washington DC.
- June 18, 2010 "Thirty Years of Human Kin Selection" 22nd Annual Meeting of the Human Behavior and Evolution Society. June 16-20, Eugene, Oregon.
- November 19, 2011 "Kin Selection in Anthropology". 102 Annual Meeting of the American Anthropological Association, New Orleans.
- November 19, 2011 "Do People Who Share Food Also Spend More Time Together? Scan Sampling Evidence from the Indigenous Neotropics." (Jeremy Koster, University of Cincinnati, first author).
- June 30, 2012 "Non-classical Polyandry" 23rd Annual Human Behavior and Evolution Conference. Montpellier, France (with Katherine Starkweather, first author)
- November 7 "How Rare is Polyandry" and "Human Kin Selection". Department of Anthropology, Washington State University, Vancouver (invited lecture)
- November 19 2012 "Non-classical Polyandry" 110th Annual Meeting of the American Anthropological Association, Montreal Canada (with Katherine Starkweather, first author)
- July 17, 2014 "Grandmothers and grandfathers among the Yanomamö" 25th Annual HBES Conference, Miami (plenary talk, third author with Napoleon Chagnon and Shane MacFarlan)
- June 27, 2015 "An Assessment of Inclusive Fitness Theory in Humans". Plenary lecture at the 26th Annual Meeting of the Human Behavior and Evolution Society.

July 14, 2015 “The absence of evidence is not evidence of absence: Is homosexuality universal?” (with Zachary and Melissa Garfield.) Invited presentation at the Fifth Annual Mystery of Sexual Orientation Workshop. Lethbridge University, Canada.

November, 20, 2015. Roundtable Discussant and Presenter “Does Evolutionary Anthropology Need a Rethink?”. Annual Meeting of the American Anthropological Association, Denver, CO

November 11, 2015 “The Behavioral Ecology of Marriage and Kinship among the Yanomamö and their implications for evolutionary theory”, invited presentation for Center for International and Global Studies, Lindenwood University, St. Charles Missouri.

April 12 (2016) “Human grooming in phylogenetic perspective: grooming rates and dyad composition in six traditional societies in comparison to other primates” AV Jaeggi, R Hames, K Kramer. Annual Meeting of the American Association of Physical Anthropologists, Atlanta, Georgia,

WESIPS 2017 Conference on Warfare, May 25-28, Seville, Spain. Delivered talk entitled “Pacifying Hunter-Gatherers”.
